Te Pou Matakana: FY14/15 Annual Investment Plan and incentive payment mechanism

We would like to thank the Board of Te Pou Matakana and your Executive Team for the time and effort you have committed to developing the incentive payment mechanism. This work represents an important milestone in the opportunity that the Whānau Ora approach presents to trial new mechanisms for incentivising the achievement of positive outcomes for whānau.

We acknowledge that the development of the incentive payment mechanism is an iterative process, and we appreciate Te Pou Matakana's co-operative approach to working with Te Puni Kōkiri towards this milestone. This year will enable us to test and refine the conditions of the incentive payment in order to inform the design of the incentive payment mechanism for future years.

This letter confirms the approval of Te Pou Matakana's final FY14/15 Annual Investment Plan, including the FY14/15 incentive payment mechanism.

We look forward to continuing our collaborative working relationship with Te Pou Matakana.

Ngā mihi
