

The background of the page is a photograph of the ornate, carved wooden roof of a marae building. The roof features intricate carvings of spirals and circular motifs, with a prominent horizontal beam. The sky is a clear, bright blue. A large yellow semi-circle is positioned at the bottom of the page, containing text and a white box.

If whānau, hapū or people from the wider community come to our marae in an emergency, we will record their name, address and contact phone number and provide them to our local Civil Defence team. These details can be used to track family members who are presumed missing, ensure the safety of whānau and wider members of the community. If these people decide to leave the marae, we will note where they intend to go to and mark them as not being on the marae anymore.
