### Official Information Act request

Thank you for your information request dated 5 September 2024. You asked for the following information:

*"I would like to request the disclosure of any application, record or correspondence received by: TPK, MBIE or MSD with the, related to:*

*-any application, record or correspondence from or of the Ruatahuna Farm Trust and Mataatua Marae [these are Ruatahuna based entities];*

*-and any and all correspondence received by your agencies relating to the Tuhoe Settlement, and the Services Management Plan also known as He Tapuae and He Tapuwae."*

On 13 September 2024, you contacted Te Puni Kōkiri to further define your original request. You added the following information:

*"I have noted I did not specify a timeframe of 12 months and therefore clarifying that here. Also please I omitted to include all correspondence received and sent on the SMP as requested"*

On 16 September 2024, you were notified that the second part of your request was transferred to the Ministry of Social Development under section 14 of the Official Information Act.

Further to the notification we contacted you to clarify that you were seeking records and correspondence relating specifically to any funding applications Te Puni Kōkiri received directly from Ruatahuna Farm Trust and Mataatua Marae.

On 17 September 2024, you responded to clarify the scope of your original request as follows:

*"No, not specific to funding applications. All correspondence to and from TPK in the last 12 months that is related to He Tapuae / Tapuwae which for clarity*

*includes anything related to the Tuhoe Settlement, which government entities are required to give regard to as part of the Settlement. We are interested in the communication that may not have been disclosed to Tuhoe between the 3 government entities and Tuhoe hapu or Tuhoe organisations such as the 2 listed. The emphasis is on the SMP mechanism, therefore if there is wider correspondence with more than these 2 Trust's we would be interested to be advised of that also".*

On 17 September 2024, you contacted Te Puni Kōkiri to respond to the decision of a partial transfer as follows:

*"That is incorrect. The SMP is a mechanism that is led by a group of govt agencies, but applies to the Crown and its government agencies – TPK cannot be seen to be exempt from a Settlement commitment of Crown – that is as contracted for per the Deed of Settlement and enacted by Settlement legislation. Just because TPK is not a member of the SMP does not mean it is exempt from Settlement Commitments made to Tuhoe. This as TPK would know if also the position of Crown Law who further confirmed in that in a meeting of the TPK, MSD and Tuhoe. See [REDACTED] Crown Law for reference.*

On 18 September 2024, you contacted Te Puni Kōkiri to advise:

*"I apologise for this, I do require disclosure of all staff names please. This applies to TPK and MBIE also."*

Your request has been considered in accordance with the Official Information Act 1982 (the Act).

Following the clarification you provided on 17 September 2024, we have interpreted your request to be for correspondence between Te Puni Kōkiri and Tūhoe hapu or Tūhoe organisations, in the last 12 months, subject to He Tapuae/Tapuwae.

We note that in making our decision to partially transfer the second part of your request to the Ministry of Social Development, that the substantive response is more closely connected to the functions of the Ministry of Social Development.

Our response has identified 14 documents in scope of your request. The documents and our decisions about the release of the information are set out in the table attached as Appendix A.

Names of certain individuals have been withheld in accordance with the Act on the following grounds:

- Section 9(2)(a) – *to protect the privacy of natural persons.*

In making the decision to withhold information, we have considered the public interest considerations in section 9(1) of the Act and believe that in this instance, the need to maintain privacy outweighs the public interest in release.

I trust my response satisfies your request.

You have the right to seek an investigation and review by the Ombudsman of this response. Information about how to make a complaint is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or freephone 0800 802 602.

Please note that Te Puni Kōkiri publishes some of its OIA responses on its website, after the response is sent to the requester. The responses published are those that are considered to have a high level of public interest. We will not publish your name, address or contact details.

If you wish to discuss any aspect of your request with us, including this decision, please feel free to contact us at [uia@tpk.govt.nz](mailto:uia@tpk.govt.nz).

Ngā mihi

Kia ora [redacted]

Thanks for your request for maps as it will help with understanding the situation with the Tuawhenua Trust as responsible trustee for 25 blocks of privately-owned Māori land about Ruatāhuna, vis-à-vis Te Uru Taumatua that manages Te Urewera Park for its statutory board. The first map shows the 25 blocks totalling about 9000 ha in area that we are responsible for as marked. A list of blocks is also attached for your reference.

The second map shows the 'enclave' of privately-owned land about Ruatāhuna that exists separate to Te Urewera Park, within which these blocks exist. Note that we do not have all of the blocks of privately owned land in this enclave under Tuawhenua Trust (but we hold about half of the land area in our 25 blocks.) Other trusts exist in the enclave such as the Ruatāhuna Farm Trust that has the farm in the Ruatāhuna Valley of 2000 ha, and other hapu/whanau trusts also hold blocks of land in this 'enclave', even though these are quite small.

If you need more information please let me know.

Tēnā koe,

Thank you for your housing repairs enquiry and information. Currently, demand for Māori Housing Network assistance is high. Our regional housing repairs funding for this financial year is currently being allocated to housing repairs providers.

To support the assessment process, please find attached a Community Repairs Whanau Assessment Form for you to complete and return to us at your earliest convenience. These will be transferred to a housing repairs provider once contracted as part of their overall decision-making and assessment process.

We also encourage you to review the list of community options available in the meantime that is also attached.

## Whānau Assessment Form

RELEASED UNDER THE  
OFFICIAL INFORMATION ACT

## Privacy Statement

---

The personal information you are being asked to provide is necessary to help determine how the Māori Housing Network might be able to assist you with your housing aspirations, including your eligibility for practical and financial assistance. It will be held by Te Puni Kōkiri of PO Box 3943, Wellington, the government agency that administers the network.

You have the right to request access to your personal information held by Te Puni Kōkiri and if appropriate, request that the information be corrected.

## Whakatauki

Te toia, te haumatia  
Not dragged, not shouted

The metaphor is based on the traditional method of launching a large canoe. The dragging of the canoe cannot be done without its being followed by the shouting. Nothing can be achieved without a plan, a workforce and a way of doing things.

Subject: File note - close out Manawa Honey project

Kia ora [redacted]

Just checking this with you, before I save the following as an engagement in SF regarding Manawa Honey (I'll get IPS to withdraw based on the rationale below).

Manawa Honey NZ, a Māori-owned honey business in Ruatāhuna, sought funding for a post-launch marketing initiative targeting its online store and Amazon platforms in the US market. This funding, part of a collaborative trial between Te Puni Kōkiri and NZTE, aims to boost sales, establish credibility, and solidify its position as a premium honey brand. Previous funding supported market research and validation.

Approval for the project was granted subject to further clarifications from the Investment Sub-committee (ISC). Questions arose regarding compliance with the He Tapuae agreement and the demarcation of the "Tūhoe rohe". This agreement, though not directly signed by TPK, underscores the need to acknowledge the mana of Te Uru Taumatua and adhere to the Engagement Protocols agreed with Crown agencies. Despite [redacted] reluctance to approach Ngai Tūhoe for consent, it was deemed imperative to uphold the spirit and intent of the Tūhoe agreement.

Email exchanges between stakeholders occurred, discussing the need to clarify He Tapuae's geographical impact and implications for funding programs. The key issue is whether the project aligns with He Tapuae, given its location and the Crown's commitments. Further delays could hinder timely market expansion opportunities for Māori exporters.

Given the uncertainties surrounding the legal position and the definition of the Tūhoe Rohe, it was agreed to withdraw the project pending further clarification. The options discussed, including waiting for legal and MSD responses or seeking TUT's views on rohe boundaries, were deemed impractical due to time constraints and potential relationship damage.

Therefore, in alignment with the decision, the project with Manawa Honey NZ will be withdrawn until such time as clarity is achieved regarding the geographical application of He Tapuae and the Tūhoe Rohe. This decision was communicated to all relevant parties involved including Manawa Honey NZ and NZTE.

- **He Tapuae – Service Management Agreement:** He Tapuae is a service management agreement between Crown agencies and Tūhoe, aimed at facilitating collaboration and partnership in the delivery of services to Tūhoe communities. It outlines principles and protocols for engagement between the Crown and Tūhoe, emphasizing mutual respect, cultural sensitivity and cooperation in service delivery.
- **Te Uru Taumatua:** Te Uru Taumatua is the Tūhoe tribal authority responsible for representing the interests of Tūhoe and promoting their cultural, social, and economic well-being. It holds significant mana (authority) within Tūhoe communities and plays a central role in negotiations and agreements with Crown agencies, such as He Tapuae. Te Uru Taumatua also oversees the implementation of initiatives aimed at advancing Tūhoe aspirations and self-governance.

Action Items:

- Notify Manawa Honey NZ and NZTE of the decision to withdraw the project pending clarification on He Tapuae and Tūhoe Rohe.
- Await further guidance from TPK Legal and MSD regarding the geographical application of He Tapuae.
- Continue engagement with stakeholders to ensure alignment with Tūhoe agreement principles.

Let me know if you have any thoughts.

Kia tau ngā manaakitanga,

Ngā mihi o te wā.

Thank you for your enquiry/application for Te Puni Kōkiri investment funding.

Te Puni Kōkiri is a Crown agency, and cognisant of the He Tapuae - Service Management Plan which is part of the Crowns obligations under the Treaty Settlement with Ngai Tuhoe. The He Tapuae – Service Management Plan includes key relationship protocols that Crown agencies are expected to understand and work towards managing the agreed protocols. Te Puni Kōkiri as a Crown agency, along with other agencies is also expected to work to these protocols.

Moving forward, all Ngai Tuhoe existing and future enquiries/applications for investment funding to Te Puni Kōkiri will be considered through the He Tapuae – Service Management Plan protocols to ensure the Crowns obligations under the Treaty Settlement with Ngai Tuhoe are maintained.

To progress your application for potential funding, Te Puni Kōkiri requires you to actively seek endorsement for your application from Te Uru Taumatua which is the PSGE entity that manages the obligations and responsibilities for the He Tapuae – Service Management Plan protocols. When endorsement is acquired, we will progress your application through the various programme funding criteria for potential investment.
